Alumni Notes

The Alumni Association of the College of Veterinary Medicine has launched a busy year. The following are highlights:

Officers: President—Dr. William Reece, ISU. Board Members—Dr. B. Curran, Eldridge, Iowa; Dr. Merle Johnson, Des Moines, Iowa; Dr. James T. Yoder, Des Moines, Iowa. Sec.-Treas.—Dr. John B. Herrick, ISU.

An active recruiting for new members resulted in over 300 new members bringing the total to approximately 1600.

Homecoming for 1981 was a howling success with over 200 veterinarians and their wives attending the reunion and luncheon held prior to the Missouri-Iowa State game.

The Stange Awardees for 1981 were Dr. Carlos Cooper, Editor of VM/SAC; Dr. Ralph Kittchell, University of California; Dr. J. Yarborough, Miami, Florida.

Over 300 attended the alumni association gathering during the AVMA meeting in St. Louis in July.

Plans are being made for alumni gatherings at the AAEP, AABP, AAHA and AASP meetings as well as at the Western States meeting in Las Vegas. Look for the meeting place and plan on attending.

The student awardees recognized by the ISU College of Veterinary Medicine Alumni Association:

- A. Gentle doctor Award, \$500—Daniel R. McDermott
- B. ISUVMAA Scholarship Award, \$100—Nancy Harrington
- C. Henry Dale Bergman Award, \$100—Joseph Flanagan

A hospitality room of alumni at the Iowa Veterinary Medical Association was arranged this year and the alumni not only used the room, but were most grateful.

The ISU College of Veterinary Medicine Alumni Association contributed \$500 to the ISU Athletic Scholarship Fund.

The ISU College of Veterinary Medicine Alumni Association, at their annual meeting in 1979, pledged \$5,000 to the IVMA Building Fund. \$2,000 of this sum has been paid.

Subscription to the ISU Veterinarian is part of the alumni dues.

Printing and postage, clerical fee, Homecoming, ISU Veterinarian for all members, Stange Awards Luncheon and Gentle Doctors, student awards, meeting room expense, IVMA Building Fund and ISU athletic fund amounted to \$9,058.00. Dues amounted to \$16,000. A cash reserve of \$10,000 exists. The ISU College of Veterinary Medicine Alumni Association is doing well—thanks to all alum members.

Let us hear from you—we want to serve all alums and to bring them closer together. This is why we are having alum gatherings at various big veterinary association meetings throughout the USA. Plans are being developed for a newsletter and many other activities. We are on the move!!
